

Title of Project:

*Most Popular
Programming Languages
from 2015 to 2020*

Participants: Subhan Saleem, Maaz Bin Asad, Ajar Sarmad

Roll numbers: K190325, K191325, K191440

Specifications Table

Subject area	<i>Computer Science</i>
Title of data set	<i>Most Popular Programming Languages from 2015 to 2020</i>
Type of data	<i>Numerical</i>
Attributes of data	<i>Date, Programming Languages</i>
How data was acquired	<i>From Internet</i>
Work of each participant	<i>Worked Individually</i>

Who are potential readers of your data sample?(Kindly reply in bullet points)

- Public
- Computer Scientists
- Young Youth
- Development Companies

Acknowledgements (If an institution or individual helped you in this project)

- No
